News From Your TOWN HALL

Frank Hobson, representing the Miss Sara Creach and Prof. Recreation Council, appeared before the City Commission, and gave report of the progress in its work. Miss Creach said that the Commission authorized the employment of a full time director and a counsellor from June 1 to October 1 and asked that \$850 be provided by the city for salaries to be paid to prospective employees. The plan was being formulated for a "Stay-at-Home" camp for the young mothers and their workers were available under a director. The finding of funds was taken under advisement.

Passed two measures one relating to the building zoning of the city and the appointment of a Board of Appeals. The other prohibits the setting of fires in fields, lots, garden spots, streets or alleys without first having secured a permit from the fire chief.

Report made by Clerk Wallace that all right of way and easements for the new highway and sidewalks have been received and filed with him.

Urged that a supply of rent control blanks be provided the City so as to prevent long and expensive trips to West Palm Beach by such property owners as may have to list their rental properties.

That water conduit pipe was being received here at the rate of a car a day and was being distributed along the right of way. Also materials arriving for new water treating plant.

Graduating Exercises For South Bay School

Annual graduating exercises for the South Bay Junior High will be held in the school auditorium at 2:30 p.m. on Friday, June 2.

The program presented entirely by the students will be in the form of a choral reading, "America Sings," which includes songs from many periods of our nation's history.

Mrs. J. A. Murphy will be the conductor of the program. Miss Mary Alma Murphy, who has the eighth grade as a home room group, is directing the program. Principal Emery prepared the script.

The members of the eighth grade graduating class are: Joe Boatwright, Charles Burkett, Minnie Crouch, Shirley Clegg, Campbell, Joy Elizabeth, Crouch, Milton Harrell, Betty Hester, Virginia Hester, Leila Kalose, Dorothy Lee Kennedy, James William Layfield, Ray Lee, Robert George Lockmiller, Earl Messes, Ulva Louise McAllister, Verna Martin, Helen Lee Prevatt, Marion Carl Woyell, Hilda Wileher, Martha Ruth Warren and Hilda Warren.

Absentees Cut The Attendance At Lions Club Dinner

Summer decline in attendance became noticeable at the weekly session of the Lions Club dinner as many faces were absent from around the dinner tables.

No set program had been prepared for the day, so a sort of a clearing house session was conducted in which a number of addressees and in which that had been pending were cleared up.

President DeHaven stated that a Lions conference would be held at the George Washington hotel at West Palm Beach on Sunday June 17. He also said W. H. Risk, Superintendent; Burn, H. V. Dink, Ralph Kirk, W. A. Teekstra and himself as delegates from the local club.

It was with regret that the president also announced that Dick Martin was resigning his position at the Experiment Station and was going to a new position in Maine which would be of a permanent character.

Progress was reported on the plan for a Junior Athletic League and the lake region.

John L. Hobson would join wholeheartedly in the movement. Okeechobee, Clewiston and Moore Haven will be contacted this week.

The club was under deep obligation to Leo Clegg, of P.O. Box 100, whose excellent address he gave at the meeting on May 10th.

Home Demonstration Club Meets in Belle Glade

The Senior Home Demonstration Club of Palm Beach County met at the Community Methodist church in Belle Glade on Saturday in the day room.

A large luncheon at noon was served by the members of the hostess club. Thirty-nine members from various parts of the county responded to roll call. Mrs. J. E. French, Mrs. G. L. Glavin, Mrs. W. W. Johnson and Mrs. A. P. Brodeur of Dolay Beach responded.

Mrs. John A. Erickson of Delray Beach, county president, presided throughout the program and business session.

The demonstration committee consisting of Mrs. G. J. Barstow of South Bay, Mrs. J. I. Freeland and Mrs. Mina Helland of Delray Beach was appointed to select a slate of officers for consideration at the October meeting.

Mrs. Bertha Nill Haussman, County Home Demonstration Agent, reported on progress made in meeting the goals set at the fall meeting.

Presidents of various clubs attended and heard active reports. The Belle Glade Club reported six regular meetings and a sewing school, an enrollment of 29 with an average attendance of 17 with all members carrying on a home program and assistance in war and community activities.

A bread contest was conducted by Miss Haussman. Mrs. E. Leonard of Greenacres won first on her bread, best in texture. Mrs. H. L. Miller of Belle Glade second on her loaf of oatmeal bread and Mrs. Bob Neil on rolls. Pyrex baking dishes were given as prizes.

Dr. R. V. Allison, administrator of the U.S. Post Office Station was introduced as the speaker of the day by Mrs. H. O. Earwood, whose introduction called attention to Dr. Allison's training and achievements in his chosen field. Dr. Allison spoke on "Soil in Its Relation to Nutrition and Health."

A bread contest was conducted by Miss Haussman. Mrs. E. Leonard of Greenacres won first on her bread, best in texture. Mrs. H. L. Miller of Belle Glade second on her loaf of oatmeal bread and Mrs. Bob Neil on rolls. Pyrex baking dishes were given as prizes.

Also that the George peach festival is opening up around Ft. Valley, Perry and the Mason areas and it is expected to yield 100,000 bushels to be harvested.

It is estimated that the yield will be near eight million bushels, nearly three times the yield of a year ago. This should mean more peaches and a less price, and earlier ripening.

At the same time the North Carolina potato crop, owing to early planting, is coming in two weeks later than customary, and that the Virginia crop will be two weeks later and will be ready in three weeks. It is expected there will be no employment for field workers, which, in fact, should be important to workers seeking release from the Everglades section.

Also that the George peach

Season Shipments Have About Come To A Close Here

Report of Break in Labor Period in Potato Section In The North

The Belle Glade packing house season is over, but there are still some small shipments of celery and potatoes going out.

Inquiries show that several early shippers will be cutting for the next two weeks in small quantities. The latest news is that all spuds will be harvested and shipped by the end of June 15th.

A few beans are being picked which are going to up state canneries. Freight forwardings delayed to some extent because the train report was not made by E. Hamilton this week.

At the Farm Clearance Bureau reports are that a considerable amount of lamb is being released for up-the-line work. Mr. Speer states he has 100,000 sheep in stock.

At the same time the North Carolina potato crop, owing to early planting, is coming in two weeks later than customary, and that the Virginia crop will be two weeks later and will be ready in three weeks. It is expected there will be no employment for field workers, which, in fact, should be important to workers seeking release from the Everglades section.

Bomb Japan With Bond Purchases

The U. S. Treasury Department made a new move in connection with the Seventh War Bond Sale drive in that it gave a four week preliminary sale period for the purchase of "E" bonds for the purpose of alleviating heavy work at the end of the final big drive. In many places this period has witnessed many communities meeting or over buying of their "E" bond sales and others did mighty well toward meeting that goal.

The big drive opened on Monday, May 14th to run until June 30th and now it behoves every one to get down to real work and purchase their various types of bonds. The fighting end of the European war has passed but there is much rehabilitation work and adjustments to be accomplished in that area and many forces to be maintained there until final peace is established. This will take American dollars, just oodles of them, and we are all called upon to chip into the big pot by buying war bonds.

Berlin is now but a by-post and our next devastating and victory military object station is Tokio and it will be our duty to keep on buying bonds "Fill its over, over there." If we go and reach that destination American people must pay the price in the purchase of war bonds. So, don't feel sorry for yourself, and your impounded profits, "get that bond today and then another bond for good measure" for the soldier son or daughter.

Chairman Lee Puckett of the Belle Glade area will get the "big stick" working if sales returns are not sizeable to suit him toward the local quota that must be reased. He wants to see many Tokio bonds sold and the money given the Government on a loan basis, and urges and stresses that area people show their love of country and patriotism by buying bonds.

America has not been bombed or invaded. It has had a most prosperous war period in industry; few have gone hungry or been deprived of the real necessities of life; our national government has been maintained where the Four Freedoms can always be in force; where we think, speak and do about as we please. Show your thankfulness for these things by investing in war bonds.

Remember the boys of our forces who have done such a brave and noble job over in Hitler's empire, and are now prepared to wipe out the yellow Japanese force and power in a like manner. To do this last arduous job they must have maintenance, supplies and arms which can be provided only by bond buying. Let's make their campaign a victorious one.

CINEMATIC CHATTER

By Malcolm Millar
Loretta Young and Alan Ladd are the stars of the picture to be at the Everglades Theatre on Sunday-Monday screening with a par excellence picture under the title—"And Now Tomorrow" which is a love story tenderly told and excellently directed.

The second picture to bring Merle Oberon and Franchot Tone in "Dark Waters" is one of the strangest drama that we have played on our screen. I'm sure you'll enjoy this one.

On the same program is "Stars on Parade" with John Wayne, John Merick and Larry Parks. This is a story of tales of heart aches and its difficulties and its ultimate success. You'll enjoy it.

3 SIMPLE STEPS
To RELIEVE That Dull
Ache All-Over Feeling
of a
COLD

Alka-Seltzer
A B.C. METHOD

A—Alka-Seltzer, start taking it at once to relieve the Dull, Aching Head, and the Stiff, Sore Muscles.

B—Be careful, avoid drafts and sudden changes in temperature. Rest, preferably in bed. Keep warm, eat sensibly, drink plenty of water or fruit juice. Be sure to get enough Vitamin C.

C—Combat your Burs, Raspys, Throats, & Colds by the cold, by the heat, by the cold, by the heat. If fever develops, or symptoms become more severe call your doctor.

Alka-Seltzer is a safe, non-stimulating tablet. Pleasant to take and unusually effective in action.

Take it for Headache, Muscular Pains and for Indigestion. Gas and Stomach, when caused by excess stomach acid.

At your drug store—Large packages, 60¢, Small packages, 25¢, by the glass at soda fountain, etc.

THE POCKETBOOK OF KNOWLEDGE

for this time
Don Ameeche and Dana Andrews are the stars with an excellent supporting cast. Story has to do with the Jap navy steaming out to Midway to take that island after Pearl Harbor. A sneak raid. They are intercepted by our own Navy and the Jap fleet is decimated.

It is a story that is filled with thrills and in keeping with the times.

According to Mr. Miller ticket agents have been presented to all issuing agents with instructions that they issue one ticket for every bond sold. The Everglades Theatre is also an issuing agent and no calling card or tickets. It is hoped that this arrangement will be able to fill the theatre with bond purchases.

**MAKE YOUR CAR
SHIPSHAPE
FOR SUMMER
-SINCLAIR-ize**

Making your car Shipshape for Summer will save wear. Sinclair-ize service will make your car Shipshape as its manufacturer recommends. You need this service now, as never before. No new cars are being made. So better not take any chances. Have your car Sinclair-ized right away.

SINCLAIR-IZE SERVICE INCLUDES THIS:

To save wear on gears, transmission and differential are filled with summer Sinclair lubricants. Special Hypoid lubricant is used for Hypoid gears.

To save engine wear, crankcase is filled with Opaline Motor Oil. It stands up, lasts so long it saves you money. Sinclair Pennsylvania Motor Oil if you prefer at 5¢ more per quart.

To save tire wear, tires are inspected for cuts and bruises, inflated to proper pressure.

To help prevent accidents, front wheels are removed and rebalanced if your car manufacturer recommends.

To help prevent overheating, radiator is cleaned of anti-freeze, rust and sludge.

To save wear and help prevent squeaks, chassis is lubricated with special Sinclair lubricant.

To give better performance, save gasoline, spark plugs are cleaned and adjusted. Battery and oil and air filters are checked.

**"SAVE WEAR WITH SINCLAIR"
HAVE YOUR CAR SINCLAIR-IZED NOW**

**A. E. Kirchman
Agent**

THE OLD JUDGE SAYS...

JIM: "Jim, didn't you say you wanted to ask the Judge something about grain, the next time you saw him?"

JIM: "That's right, I did, Mary. Is it true, Judge, that distillers recover part of the grain they use in making war-alcohol?"

OLD JUDGE: "That's absolutely true, Jim. Whenever the government has permitted distillers to purchase the equipment necessary

to process the used grain, at least 50% of the feed value (25% by weight) of the whole grain is recovered. It comes back to farms like yours in the form of premium quality livestock feed . . . rich in vitamins and B's."

JIM: "Is the same thing true when distillers are permitted to make whiskey, Judge?"

OLD JUDGE: "Yes, every bit as true, Jim."

**SOUTH BAY
BEAN CITY
LAKE HARBOR**

Mr. and Mrs. Jack Warren
and their wife live at South Bay.
Mr. and Mrs. Lannie Warren
and children of Belle Glade en-
joyed an outing at LaBelle on
Sunday.

Mrs. J. W. Garrett, who has
been visiting her daughter, Mrs.
J. W. Strickland for the past ten
days, left Wednesday for her
home in Brooksville.

Mr. and Mrs. Terrell Lee and
daughter, Laura, Mr. and Mrs.
A. F. Curl of Belle Glade, left
the first of the month to spend the
summer in Georgia.

John Ellison, on a 12 day furlough from Camp Robinson

Ark., visited relatives here and
is now with his mother, Mrs.
Jessie Ellis in Miami. He was
accompanied to Miami by his
cousin, Calvin Walker.

Mr. and Mrs. A. B. Crow
of Lake Worth, live at South Bay.
Mr. and Mrs. Lannie Warren

Kenneth Messer arrived home
Sunday from Tampa where he
recently received a medical dis-
charge from the Merchant Mar-
ine.

Warrant Officer L. O. (Jack)
Ratley, Jr., his wife and son,
spent a week furlough with his
parents, Mr. and Mrs. L. O.
Ratley, Sr. He is stationed at
Savannah, Ga.

Mrs. William Rider and her
daughter, Lorna of Felda, spent the
week with Mr. and Mrs. W.
M. Carter.

Mrs. F. W. Mutchler substituted
in the fifth grade last week in
the absence of Mrs. O. H.
Martin who was unable to attend
to her duties on account of ill-
ness of Mr. Martin who is seri-
ously ill at the Good Samaritan
hospital.

Eugene E. Hardy, ARM 2/c,
is home on leave following his
return from the south Pacific
battle. Following his leave he
will report to the Tennessee base.

Mr. and Mrs. James Rider and
son, Jimmy, of LaBelle, spent
the week end with his sister Mrs.
Wade Carter.

Mr. and Mrs. Oscar Haney
and two children of Wauchula
visited their niece, Mrs. Edmund
Leathem and family over the
weekend.

Raymond L. Wilder of West
Palm Beach visited relatives in
South Bay Sunday.

Mrs. W. M. Wilder of Lake
Harbor left the last of the week
for West Palm Beach where she
will submit to a minor operation
at St. Mary's hospital.

Mr. and Mrs. Henry Register
who have been visiting their son,
O. P. Register and son, Buddy,
have returned to their home in
Orlando.

RAWLE- MORRELL

A wedding of interest in the
Glades took place at the Chal-
leton Heights Baptist church, S.
C., on April 22 when Miss Louise
Mae Rawls, eldest daughter of Mr.
and Mrs. W. H. Rawls, became
the bride of John Albert
Morrell, U. S. N. R. of Horrell
Hill, S. C. Rev. H. C. Cole
performed the double ring ceremony
by candlelight.

Following the ceremony a re-
ception was held for the bridal
party and families at the home
of the bride's parents at Ben
Tilman Highway Navy Yard.

The couple left for a wedding
trip immediately.

Mrs. Morrell is a native of
Montana, coming to South Bay
with her parents. She is a gradu-
ate of the South Bay Junior
High School, the Palmetto High
school and alum of the Miami
Academy of Beauty Culture and
she is employed in the Charles-
ton Navy Yard.

**P. T. A. HOLDS LAST
MEETING OF YEAR**

The Parent Teachers Association
conducted the last meeting of
the year at the school auditorium
Monday evening, Mrs. J.
W. Strickland, presiding.

Officers were elected for the
coming year and installed by
H. S. Emery, president; Mrs.
McAllister, president; Mrs.
Nola Hall, first vice president;
H. E. Emery, second vice president;
Mrs. F. W. Mutchler, sec-
retary; Mrs. Laura Willets,
treasurer.

The new officers reported a
good balance to start it's next
year. It was reported that the
moving picture machine which
is being purchased by the associa-
tion for the school will be in-
stalled during the meeting of the
fall term and ready for use.

Mrs. Q. A. Queen was relect-
ed cafeteria manager for the
coming year. She plans to attend the
cafeteria school at Tallahas-
see in July.

The program for the evening
was run on by the first and
second grade home room taught by
Mrs. E. M. Parsons. The children
sang a group of patriotic
army and navy songs.

Refreshments were served by
Mrs. Parsons, Mrs. McAllister
and Mrs. Goodearl. Mrs. H. S.
Emery, Mrs. Q. A. Queen, Mrs.
and Mrs. J. W. Strickland, Mrs.
R. L. Lovell, Miss Mary Murphy,
Mrs. Edith Eckman, P.
Goodbread, Mrs. J. P. Pre-
vat, Mrs. O. G. Lovell, Mrs.
F. W. Mutchler, Mrs. Boatwright,
Mrs. R. A. Roberson and Mrs.
Edna Walker.

GET IN AND DIG!

Serve America NOW

**KEEP 'EM GROWING...
to help feed our fighters**

(Every pound of fresh vegetables you
get from your Victory Garden this year
will mean a pound of other food re-
leased for our fighting men—and it
will mean better meals for you, at less
cost. Let's keep up every vital war
effort—buying bonds, giving blood,
stickering with war jobs—until full Vic-
tory! That way we can all doubly enjoy
the great land we've fought for.)

See America Later

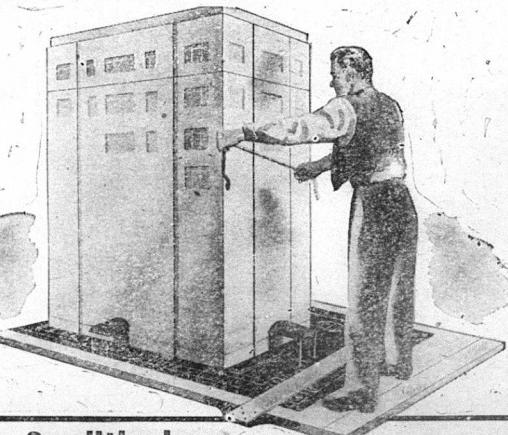

**GREAT DAYS ARE COMING
for travelers by highway!**

'Round the bend of the road—the grim
road of war—America's fine highways
will one day re-introduce Americans to
the land they have fought for so valiantly.
Florida Motor Lines is doing a
full-time war job along Florida's highways—but it is also planning finer,
faster service, more modern and com-
fortable terminals, new carefree tours
for you—in the good days to come.

Air Conditioning - TAILED TO FIT YOUR NEEDS!

Your postwar Air Conditioning system must be
tailed to fit the type of structure it is to serve
... whether home, hotel or theatre ... store,
church or office building.

Belcher Industries maintain a staff of Air
Conditioning consultants who, in addition to
their war duties, are prepared to plan your
postwar Air Conditioning system, according
your particular needs, for
lowest possible operating
costs, maximum efficiency
and lasting service.

As soon as Victory permits delivery of Air
Conditioning equipment for civilian use, our
engineers will supervise its installation and
guarantee the desired results.

Come by one day soon with your architect and
consulting engineer and talk the matter over
with Belcher's Air Conditioning consultants.
By the way a deposit now will give you

first call on Carrier Air
Conditioning equipment
to be delivered as soon as
possible after V-E Day!

PIANOS

Just received another shipment of nice Uprights and Grands. These pianos represent fine pre-war materials and expert craftsmanship. They are medium size 52 to 55 inches high, and their appearance like new in plain cases.

We also have a limited number of MirrApianos for immediate delivery. These instruments are A No. 1 mechanically, and outwardly they embrace the graceful lines of the pre-war Spinettes. Cannot be told from new. Fully guaranteed. Terms if desired.

senger, Helen Friedheim, Joanne
Livingston, Carroll McDonald,

LEGAL NOTICES

IN THE CIRCUIT COURT
OF THE FIFTEENTH JUDICIAL
CIRCUIT FOR PALM BEACH
COUNTY, FLORIDA

Case No. 20372
South Florida Conservancy District
and The Board of Supervisors of
said District vs. PETITIONERS

PETITIONERS VS. THE STATE
The State of Florida, The Taxpayers
of South Florida, The South Florida
Conservancy District, and The
Board of Supervisors of said
District, or any of them, or to
such other persons as may be
affected by the issuance of
any bonds or notes issued by
them, or to whomsoever
they may be affected in any
way therby.

On the 16th day of May, 1945,
there was presented to me the Peti-
tioners in the above style author-
izing the issuance of bonds describ-

ing the South Florida Conservancy
District Bonds Series A-44, dated April 1, 1945, in the
amount of \$1,000,000.00, to be
issued on October 1, of each
year thereafter, for a period of
ninety years, and bearing interest
at the rate of six percent per
annum, and validated by the
signature of the Petitioners thereon.

The State of Florida and the oth-
ers named in the Petitioners are
required to appear before this
Court on the 16th day of May,
1945, at the County Courthouse,
West Palm Beach, Florida, on the
10th hour of the forenoon, and
A. M. at which time and place the
Petitioners will show cause why
the prayers of the Petitioners
should not be granted, and the
Petitioners and the Petitioners
and the proceedings are bonds valid
that are confirmed by the Petitioners
prayed.

A copy of the notice, the Petition
and the exhibits thereto shall
be served upon the Attorney for
Palm Beach County, Florida
and the Board of Supervisors
of said county, and filed in
each of said counties, and
in the circuit court required
by law.

All officers, taxpayers,
citizen or persons interested
are invited to this proceeding by
pleading to the circuit court
before the time herein set for the
hearing of the cause.

In the event the Petition to be en-
tered in the circuit court
of the Fifteenth Judicial
Circuit in and for Palm Beach

County, Florida,
JOSEPH S. WHITE
Clerk of the Circuit Court
Circuit of the State of Florida
West Palm Beach, Florida

MARINER MEETING
The newly organized group of
Mariners met at 4:00 on Tues-
day afternoon in the high school
auditorium with their leaders
Skipper Martha Allison and
Matt Mac Bain. The girls re-
ceived their uniforms and
several scout mambles. They also
reviewed their Girl Scout Phon-
ics and Laws which is one
of the regulations for becoming
a Mariner. As soon as eight girls
passed their sophomore require-
ments, Mrs. Allie Allison became
an official Skipper. Those pres-
ent were Louise Emery, Helen
Friedheim, Louise Hamilton,
Martha Parker, Edith Bregger,
Joyce Borchart, Carolyn Frell-
und, Louise Friedheim, Billie
W. S. Ingram, Mrs. R. W. Wil-
der, Mrs. Joe Friedheim, Mrs.
Williams, Mrs. Ruth S. Wedg-
worth, Mrs. I. E. Hamilton, Mrs.
Hall, Mrs. Hummell, Mrs. W.
A. TeStrake, Mrs. Tedder and
Mrs. Jack Royals. Members
present were Anna Gross,
Katherine Broome, Joanne Ted-
der, Mary Campbell, Louise
Carver, Betty Chaneey, Gloria
Crosby, Kay Fears, Catherine
Friedheim, Martha and Mary
Hall, Betty Jean Harris, Betty
Royals, Jackie Jean Harris and
Jackie Kidder. They served
punch and cookies.

The guests present were Mrs.
R. W. Campbell, Mrs. Barbara
Wedgworth.

Watson and Carlene Cone. The
girls will hold their next meeting
on board ship.

**CLOSING CEREMONIES
FOR TROOP FOUR**

The Girl Scouts of Troop 4
held their closing ceremony at
the Scout Hut on Monday even-
ing at 8:00. The mothers were
invited to attend. The hostesses
for the evening were Jackie
Hall, Betty Jean Harris, Betty
Royals, Jackie Jean Harris and
Jackie Kidder. They served
punch and cookies.

The guests present were Mrs.
R. W. Campbell, Mrs. Barbara
Wedgworth.

TWO REGIONAL FAVORITES WORTH OUR ACQUAINTANCE

SHRIMP PILAU

RECIPE

Fry 2 slices of fatty diced salt pork. Reserve. Into 4 cups of boiling water, put 1 cup of well-washed rice and 2 cups of cleaned, peeled, shucked shrimp. Salt and pepper to taste. Add a dash of Tabasco sauce and stir ingredients until they begin to boil. Reduce heat and do not stir again (about twice as many minutes).

Note: Fried salt pork may be added, as well as tomatoes, if desired. This is the necessary part of the dish. A finely cut onion may be broken up with the salt pork and added to the mixture, but again this is up to the individual taste.

Send us your favorite regional recipes, and we will gladly acknowledge their source.

...and a golden bottle
of Jax Beer

Among our great South-eastern dishes is Shrimp Pilau—hearty, delicious, and satisfying to the eye as well as the appetite... like another of our great regional favorites... JAX Beer, the Drink of Friendship.

This mellow brew has a thirst-quenching goodness that satisfies, and a fine, full-bodied flavor that brings out the best in our famous regional dishes. A dinner featuring Shrimp Pilau and golden, mellow JAX is a dinner long remembered. Always serve JAX... a premium brew when it comes to quality, though you don't pay a premium price to enjoy its golden goodness!

Say JAX! You can buy
anywhere in the world.

Installation Of P. T. A. Officers Held Monday

Roscoe Braddock was installed as president of the Belle Glade Parent Teachers Association at its regular meeting which was held in the high school auditorium.

Other officers installed were Mrs. C. A. Thompson, first vice president; Mrs. W. T. Elder 2nd vice president; Mrs. Frank Dooley, secretary; Mrs. R. E. Moore, Mrs. G. C. Royals, historian and Mrs. Thomas Bregger, delegate-at-large. Appropriately arrange flowers were presented to each officer.

Mrs. F. D. Stevens, retiring president, her annual report, which listed major projects successfully carried out during the year, the teacher-training project, assisting in the clinics of the school health program, Cooperation Draining District, the school health committee, working with the National School Nutrition Program, and school gardens, cooperating with the school lunch program, materially adding to the school library fund, joining in the community recreation council for promotion of youth recreation and conducting community social meetings for Parent Teacher members.

Following the program the group went to the cafeteria where refreshments were served by a hostess committee who were

OBSEVATIONS

Continued from page 1
all the activities surrounding
such training. Then the kids
have access to the trainings of
the Girl Scouts, the Girl Guide
Four-H Club, the Boy's State,
now temporarily in limbo, the
Future Farmers of America, De-
Molay, Athletic and church orga-
nizations. If any boy or girl
follows through with definite
plans, then they are bound to
have a well rounded education,
ready to better fight the
battles of life which face them
in the future.

A school teacher was recently
stepped in Detroit for driving
through a stop sign and was given a ticket calling for her appear-
ance in a traffic court on the
following Monday. She went to
the Judge and said, "I did not
know I had to stop." The Judge
replied, "You're a school teacher, that's
fine madam, your presence ful-
fills a long standing obligation for
you to appear in court." "I have
never been a school teacher in this
court," he thundered, "you sit right down at the table over
there and write 'I went through a
stop sign five hundred times.'

Men and women of Florida
are going to pay more for their
necessary (?) luxuries in the
way of liquors and tobacco. Aces
passed by the present Legislature
provided that the state will add
an additional three cents a bottle for
their cold beverage; those who
partake of hard liquors will find
a sizeable increase in costs of a
less volume beaker or bottle of
liquor. Cigarettes, smoking jackets
and hats will be taxed four cent
state tax instead of three cent
for their weeds. Quiet marriages
will also be given a bequest by
the passage of a bill which requires
a County Judge can issue from
the date of application before
the real tying license.

With the coming of rains and
the removal of crops from the
farm lands, the weeds will begin
to grow again. They will grow
and will soon predominate over
the vast fields. Then in Septem-
ber they will all be "cut in" to
help make the muck lands richer
for the crops that follows in
the fall and winter.

City Commissioners are get-
ting numerous complaints about
parking violations in and around
some of the packing houses and
garages and are likely to take
steps to eliminate this condition

for next season. Complaint is
that cars and trucks are so park-
ed that they close us safety pas-
sages on the main streets.

Milestones in FLORIDA'S PROGRESS

Florida has come a long way since its admission to statehood, just a century ago this year. Its population, wealth and productivity have increased many fold.

The construction of its pioneer railroads marked important milestones in Florida's rapid progress, opening up vast sections formerly inaccessible. Cities grew where only wilderness and pioneer villages existed before. Productive farms spread out into the surrounding country.

On the East Coast of Florida this transformation has been particularly marked. First came the little pioneer railroads linking Jacksonville, St. Augustine and Daytona Beach.

Beginning in 1892, the Florida East Coast Railway was extended south of Daytona Beach into a then sparsely inhabited region.

The railroad reached Cocoa-Rockledge in 1893, founded West Palm Beach and developed Palm Beach in 1894, pushed on to Miami in 1896. Today this is one of the most populous and productive regions of Florida. Within the past forty years its population has increased fully ten fold.

The Florida East Coast Railway is naturally proud of this record of remarkable growth. It will also play a part in creating the greater Florida of tomorrow.
